IV. *Supplemental Budget for Rs.* 2,000 *for sinking wells.*—Read Government Proceedings No. 17807—L F. 231-93, dated 20th April 1895, requesting to obtain approval of the Board to the Supplemental Budget for Rs. 2,000 for sinking wells in Arsikere and Channarayapatna Taluks.

Resolution.—Approved.

V. *Travellers' Bungalow at Hirisave.*—Read Government Proceedings No. 18238—L. F. 73-94, dated 25th April 1895, *anent* the retention of the Travellers' Bungalow at Hirisave as a 3rd class one.

Resolution.—The Board resolve that the Bungalow be retained as a 3rd class one.

VI. *Re-appropriation of grant under Original Works of the current year.*—Read Executive Engineer's Docket No. 381, dated 20th-ultimo, stating that the increase of grant proposed under "Reserve Minor Works" is badly wanted to sanction estimates for constructing a few rough stone tunnels and for collecting materials for the special repairs of some furlongs for which no provision has been made in the annual repair estimates.

Resolution.—Approved.

VII. *Additional rooms to the Dispensary at Arsikere.*—Read Executive Engineer's Docket No. 148, dated 25th February last, informing that the estimate originally prepared for Rs. 510 for adding two rooms to the Dispensary at Arsikere was since revised by the Chief Engineer for Rs. 858 and requesting that a sum of Rs. 572 being the amount of contribution payable from Municipal and District Funds may be placed at his disposal instead of Rs. 340 originally asked for.

VIII. *Removal of the Dead-house attached to the Dispensary at Saklespur.*—Read Manjarabad Taluk Amildar's Arzi No. 79, dated 16th March 1895, regarding the removal of the dead-house attached to the dispensary at Saklespur.

Resolution—The Board resolve that the present one be removed and early measures for its construction elsewhere be adopted, the Local Board and the Municipality contributing as the present dead-house is in close proximity of the town.

IX. *Bandy-stand at Arsikere.*—Read Government Proceedings No. 12654—L. F. 257-93, dated 19th February last, stating that the question whether the entire income from the cart-stand should be credited to the Municipality or a portion of it to the District Funds will be considered hereafter.

Resolution.—Recorded with reference to Resolution 5 of the Boards Proceedings dated 19th November 1894.

X. *Dispensary at Konanur.*—The President explained to the Board that the entire cost of the Dispensary was sanctioned from District Funds in the current year, that it was reasonable to demand ⅓rd cost from the Municipal Funds and that provision is accordingly made in the Budget for the ensuing year. The construction of a Dispensary building as per recent design being very necessary, a sum of Rs. 350 is also provided in the Budget as 1st instalment of the contribution payable by the Municipality. He therefore stated that the Board also will have to bear its share of contribution.

Resolution.—The proposition was carried unanimously, the Board agreed to pay its share of contribution. Provision should be made in the supplementary Budget.

XI. *Belur Bridge.*—Read Chief Engineer's letter No. 1536, dated 2nd April last, in reply to this office No. 295, dated 11th March 1895, requesting him to obtain a grant of Rs. 1,500 from the Local Funds General to meet the cost of bangles presented to the Bridge Contractor, pointing out that there being still a balance of Rs. 52,293 available from the grant allotted from Local Funds General, the necessity for the further allotment is not apparent, &c.

The President explained to the Board that out of the grant of Rs. 1,70,650 allotted for the Bridge work up to the end of 1889-90 from the Local Funds General, a sum of Rs. 94,438 (exclusive of the establishment charges) was spent as per details in the margin, leaving a balance of Rs. 76,212 available for expenditure at the end of the year 1889-90, such being the case it is not understood how a sum of Rs. 63,000 as per margin was provided for from the District Funds (*vide* D. P. W. sanctioned Budgets of 1890-91, 1891-92, although the Board in passing the Budgets of 1890-91, 1891-92, were of opinion that funds for the Bridge work should be provided for from the Local Funds General.

XII. *Nominating a member of the South Mysore Planters' Association to a seat on the District Fund Board.*—Read letter dated 10th April last from the Honorary Secretary of the South Mysore Planters' Association forwarding copy of a resolution of the proceedings of the Association in the Annual General meeting held by them on the 7th March 1895, which runs thus :—

"That in the opinion of this meeting it is essentially desirable that a member of this Association should be nominated to a seat on the Hassan District Local Board precisely as was arranged in previous years."

Resolution.—The Board considered that in the interests of the Association the nomination of a European Planter to a seat on the Board was desirable.

XIII. *Appointing a Health officer.*—It was proposed by the President that in place of the present Deputy Inspector of Vaccination, who only knows the simplest work of vaccination, the appointment of a Medical man with the designation of Health officer is productive of much benefit, as the latter will not only be able to attend to vaccination, but also to sanitation and treat patients in cases of urgency.

There may be some extra cost to Government by the proposed arrangement as the services of a competent Medical man cannot be secured for so low a salary as that which the Deputy Inspector of Vaccination now gets, namely Rs. 40. At present graduates in medicine have been employed even as Hospital Assistants. The Board may contribute the difference of pay.

Resolution.—The Board considering the advantages that can be derived from the appointment of a Medical man, unanimously agreed to the proposal.

XIV. The following papers were read for the information of the Board, and recorded :—
